## **DETAILED ACTION**

## Ex Parte Quayle

This application is in condition for allowance except for the following formal matters:

The reissue oath/declaration filed with this application is defective (see 37
 CFR 1.175 and MPEP § 1414) because of the following:

The reissue application has been assigned; applicant and the president of the company put his written consent in the declaration rather than in a separate consent letter as the sample shown in the MPEP 1410.01 and CFR 3.73 (b). The signature of the second inventor, Mr. David C. Wood, is missing from the oath/declaration.

- 2. The original patent, or a statement as to loss or inaccessibility of the original patent, must be received before this reissue application can be allowed. See 37 CFR 1.178.
- 3. Claims 1-24 are objected to pending revision of claim 1 as discussed and agreed upon with the Applicant's attorney.

Applicant is requested to submit the revised (amended) claim 1 as discussed (a telephonic interview between the Examiner and Attorney, C. A. Puntigam, dated 01/29/2004). Please refer to the Interview Summary.
